Features

Winning Hearts and Minds

8

Civil-affairs soldiers help bring food, water and hope to the people of Iraq.

Controlling Baghdad Skies

11

Army air-traffic controllers were among the first soldiers into the Iraqi capital.

Boosting Security in Hawaii

12

The Army plays a key role in protecting the beautiful — and isolated — islands.

War Bikes

16

Motorcycles have been in the Army since first enlisting in the days before World War I.

Freedom Walk

19

A volksmarch in the nation's capital honors those who've fought for America's freedom.

Tomorrow's Battlefield

20

Urban warfare is an everyday occurrence at the Joint Readiness Training Center.

Better Sight for Soldiers

22

Landstuhl Regional Medical Center offers soldiers free Lasik eye surgery.

Sailing to Victory

24

Off-duty Hawaii-based soldiers make the most of the islands' wind and sea.

Yo Soy El Army

36

Recruiters in Miami are dedicated to enlisting Latinos in the Army of One.

Finding the Better Idea

40

The Operational Forces Interface Group is always looking for soldier feedback.

Tornado Responders

42

The Corps of Engineers and National Guard helped Missouri recover from deadly twisters.
